

## Task 1 Wireframes

Student Team enters the filtered condition to find specific client proposals.

The wireframe shows a mobile application interface for finding project proposals. It features a back arrow in the top left, the Conestoga logo in the top right, and a title 'Find project proposal'. Below the title are four stacked dropdown menus labeled 'Departments', 'Programming language', 'Faculty advisor', and 'Team Name'. A green 'Find Proposal' button is centered below the filters. The entire form is enclosed in a rectangular frame with a header and footer bar.

## Task 2 Wireframes

The student team requests to look up the list of client proposals

A wireframe of a web form titled "Find project proposal". The form is enclosed in a rectangular border. At the top left, there is a back arrow icon. At the top right, there is the Conestoga logo, which consists of a stylized 'C' followed by the text "CONESTOGA" and "Connect Life and Learning" below it. The title "Find project proposal" is centered below the header. Below the title, there are four vertical input fields, each with a dropdown arrow on the right side. The labels for these fields are "Departments", "Programming language", "Faculty advisor", and "Team Name". Below these fields is a green button with the text "Find Proposal" in white. The entire form is set against a light gray background.
